the day my
Father the Barron returns from his voyage.
I've missed him so much,

Well, come to think of it
So honestly, I could just talk all day
My ugly sisters are so cruel in every way
Then there's the Baroness
Always expects me to clean up her mess
I cook their meals, I scrub the floors
I even spend Christmas in rag on all fours
There is Buttons he is my only friend
He'll always be there for me till the bitter end
There's not really much I can do
That is till all my dreams come true
I'd better go I have so much to do
